One Week Online
Faculty Development Programme
on
Moodle Learning Management System

19th to 25th July 2021

Organized by
National Institute of Technology Silchar, Assam
http://www.nits.ac.in

in association with

Spoken Tutorial Project
Undertaken by **IIT-Bombay**
Initiative of **National Mission on Education through ICT**
MHRD, Government of India

About the Institute

National Institute of Technology, Silchar is one of the 31 National Institutes of Technology of India and was established in 1967 as a Regional Engineering College in Assam. In 2002, it was upgraded to the status of National Institute of Technology and was declared as Institute of National Importance under the National Institutes of Technology Act, 2007. NIT Silchar is a fully residential campus situated on the banks of river Barak and on a sprawling campus spread over 625 acres of land surrounded by scenic tea gardens on the outskirts of Silchar. NIT Silchar has secured **46th rank** in Engineering and 94th rank under Overall Category in NIRF 2020.

The Institute aims to produce skilled and trained industry-ready professionals through imparting quality technical education and acts as the center of excellence for engineering and scientific research. Tremendous hard work, confidence and faith of all the stakeholders and well-wishers of the Institute encourage us to strive towards the zenith of academic excellence.

The research conducive green campus encourages the young minds to develop attributes and knowledge beyond the constraints of traditional classroom teaching and learning. The flexibility in the design of management and engineering education in the institute incubates global trends and helps to meet future demands, ensuring better Institute-Industry partnership both at local and global levels. NITS has been able to create a niche of its own and become the most preferred institute in the eastern region of the country. It stands as a humble spectacle where tradition meets vogue, aspiration meets inspiration and regional excellence defines global benchmarks.

COMMITTEE

Chief Patron
Prof. Sivaji Bandyopadhyay
Director, NIT Silchar

Convener
Dr. Agnimitra Biswas
Spoken-Tutorial Coordinator, NIT Silchar

Coordinators
Dr. Naresh Babu Muppalaneni, NIT Silchar
Dr. Asha Rani M.A., NIT Silchar

Important Dates
Last date: 16.07.2021
Confirmation by E-mail: 17.07.2021
FDP Dates: 19.07.2021 to 25.07.2021

About Spoken Tutorial

IIT Bombay has conducted many large-scale teacher training workshops under the Train 10,000 Teachers (T10KT) programme, sponsored by the National Mission on Education through ICT (NMEICT), MHRD, Govt. of India, and trained over 2,00,000 teachers. Another successful technology developed at IIT Bombay is Spoken Tutorial, using which about 50 lakh students have been trained on various ICT topics. This method was very effective.

The Spoken Tutorial project is also implemented successfully at IIT Bombay, with funding from NMEICT, MHRD. It is now proposed to offer the highly effective Spoken Tutorial based ICT training to a large number of teachers, across the country, through the T10KT methodology, with Moodle training being taken up next.

Moodle is a popular Free/Libre and Open Source 'Learning Management System' (LMS). Moodle is extremely useful to teachers to organise their course, interact with students through forums, organise quiz, do the grading, etc. It is very useful to teachers at all levels: from schools to colleges. It is also available free of cost. The Moodle workshop is organised by the Teaching Learning Centre (ICT) at IIT Bombay, under the scheme of the 'Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching' (PMMMNMTT), MHRD, Govt. of India. As Spoken Tutorial method offers hands on practice, with 100% active learning, teachers who undergo this training will be able to start using Moodle immediately after the workshop.

About the FDP

Moodle is a learning management system (LMS in short) which helps teachers and educators create online courses for adaptive and customized learning. Developed in 2002, it is a free/libre and open source software and is being used by many small and large institutions to create and deliver courses online to their students.

Moodle has many built-in features ranging from the basics such as file upload, assignments, quizzes, notifications and advanced features such as forums, quizzes, wiki, etc. that can be used by learners. It also has many easy-to-install plug-ins such as attendance, reminders, analytics, etc., to supplement these features.

Program Contents

Following topics will be covered for Teachers in this workshop:

➢ Teachers Dashboard in Moodle
➢ Course Administration in Moodle
➢ Formatting Course material in Moodle
➢ Uploading and Editing resources in Moodle
➢ Forums and Assignments in Moodle
➢ Question bank in Moodle
➢ Quiz in Moodle
➢ Enroll Students and Communicate in Moodle

Course videos

Please note that the medium of instruction for this Programme is English. Language dubbed Spoken Tutorials in Hindi and a few other languages will also be available.

Certification

E-certificate will be provided to all the registered participants after completing the course and taking the online test

Eligibility

This program is open to Faculty members.

Registration

Registration fee: Nil for Spoken Tutorial Resources Centres/associates.

Registration Fee: Rs. 590 for others

For registration, please visit the following link
