Date : 04.02.2021

Under the prevailing condition the exam for the B.Tech. students of 4th & 6th semester will be held **through online mode**. The evaluation procedure for the semester is through sessional, mid-sem exam, two minor tests & end semester exam. For lab subjects the assessment will be done based on the continuous evaluation & by conducting viva-voce exam.

The distribution of marks for theory subjects will be as follows:

Sessional – 20 marks

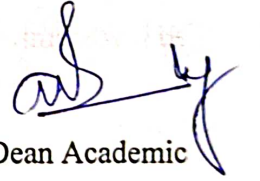

Mid-sem - (20 marks through online exam + 10 marks through interaction)

Two minor tests of 10 marks each (one before mid-sem exam & one after mid-sem exam)

End semester – 30 marks

Further, for PG (all semester) & UG final semester students the mid-sem exam will be conducted through online mode (20 marks through online exam + 10 marks through interaction) and their end semester exam will be held through offline mode.

This is as per the approval of the competent authority.
