**Gyansagar Report on COVID-19 and Foundation Week of Gyansagar**

Hail without the hailstorm,
Corona is hitting every norm.

In this critical hour, when the increasing numbers of positive cases are a threat to the world, it is the duty for every living being to support each other following some basic cleanliness and social distancing. This hour requires more of a strong immunity system along with a healthy environment. To maintain all of it, the social wing of NITS, Gyansagar, floated on the surface once again.
We started with the donation as of the initial point. People are running out of resources and among all, the poor people are unable to afford the basic shield required, the mask. We collected money from the Gyansagar members and other students from the college and with the support of our faculty advisors, we carried on **Mask Distribution** Program in a district.
of Kanupur named Sikandra. Till now 2500 masks have been donated in the surrounding villages and planning to extend this novel work in the most affected part of India.

Maintaining the virtue and also that the foundation day of Gyansagar was on the door, we carried on another campaign to spread awareness and also to gather resources for the underprivileged ones.

Raising the banner as ‘Salam-e-Warriors’, the Gyansagar members organized a very successful foundation week. A number of online competitions were organized engaging dance, singing, poetry, monoact and painting. There was a quiz too for the enthusiastic buds around us. All the
events had a total prize money of Rs 10000. One interesting aspect was the names of the events:
• Nachde Ne
• Sa re ga ma
• poem-e-mehfil
• elm-e-natak
• Quiddle it out.

Being an online event, the judgement was equally divided into content quality and the likes&shares in the social platform.

It was our privilege and good fortune that despite of notifying about the events one day before the week started, we managed to harbour 150+ entries from different parts of the country and also from some needy ones. Our motive was to encourage the talented yet not granted ones to come forward and we are blessed to have a good participation from them as well.

With a rigorous hard work and full-fledged dedication, Gyansagar turned 9 on 23rd of May’20 and we successfully completed our foundation week with enormity in all the events.

Nachde Ne:
A dance competition Dedicated to our Corona Warriors under Salaam E Warriors saw major attraction as many underprivileged Students came forward to participate.
Sa Re Ga Ma: 
A Music competition Dedicated to our Corona Warriors under Salaam E Warriors not only saw major attraction from College but many other colleges and underprivileged Students came forward to participate.

Name-Sonali Kanu
College-NIT Silchar

Winners will be declared on the basis of 50% creditability of content and rest on the basis likes, shares and views on FB and Instagram.

Please Like, Comment and share!! Give them love and appreciation!

Poem-E-Mehfil:
Online poem Writing and Poem Reciting Competition saw one of the maximum Participant coming forward to showcase their skills.
Painting:
Online Painting Competition saw maximum Entries which were dedicated to our brave Corona Warriors and truly justified our theme of Saalam-E-Warrior.

PEACE
- BASHABI KALITA

Peace! A divine state of mind.
Self possessed
Peace - Achievable?
No, not by prosperity. . .
No, not by power and property.
Yes, make sacrifice...
Yes, acquire knowledge and wisdom.
Knowledge (?)
Makes the earth peaceful?
Alas! It is disturbed.
Earth pleases everyone
Not tortured if!
The Earth is now in peace...
Sleeping undisturbed.
The civilization!
Weeping everywhere...
Attains the summit...
The point of devastation.
Nobody to console...
No one to sympathize...
Honour the Earth,
Honour the Humanity.
Peace achieved.
Quiddle It Out:
Online Quiz + Riddle Competition to spread awareness about CoronaVirus was one of our major success as it saw footfall of massive 51 Participant.
Q.1. From where coronavirus got its name?

A. Due to their crown-like projections.
B. Due to their leaf-like projections.
C. Due to their surface structure of bricks.
D. None of the Above.
