

A One-Week Workshop/ Teacher Training On
**'STRATEGIC PLANNING, TECHNIQUES
AND METHODS (SPTM)' under
PMMM NMTT, DHE, GOI.**

21-25 AUG. 2017

Organized by: Department of Chemistry, NIT
Silchar, Assam

Introduction:

The aim of PMMM NMTT is to improve the quality of teaching of teacher in schools through hands on workshops and lectures specially designed to for them. The focus will be to create master trainers who will act as trainers in next phase.

In this workshop, we will provide study materials to the participants made by experts from different IITs/NITS/Universities incorporating new aspects like chapter wise value based questions, level-wise questions strategic to be followed for achieving good results, tips for securing quality PI, chapter wise common error committed by students and remedial measures and chapter wise concept mapping.

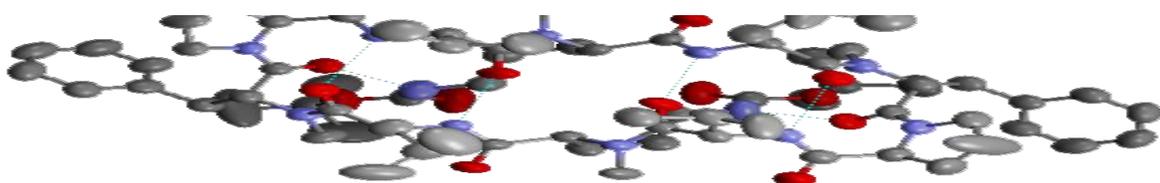

There will be laboratory classes where some experiments like qualitative analysis of Inorganic salt analysis, Organic sample analysis and some Environmental experiments etc would be performed.

EXPERTS:

- ❖ Prof. S. K. Bhattacharjee, Gauhati University.
- ❖ Prof. B.C. Rano, IACS, Kolkatta.
- ❖ Prof. G Bez, NEHU, Shillong.
- ❖ Prof. C.R. Bhattacharjee, Assam University.
- ❖ Prof. S.B. Paul, Assam University.

Organizing committee

Patron: Director, NIT Silchar
Chairman: Dr B.H. Shambharkar
Coordinator: Dr Pranjit Barman
Co-coordinator: Dr. L. Rokhum

Highlights

- Science/ Chemistry Teacher teaching IXth / Xth and Intermediate level only apply for the program
- Hands on training through Chemistry Lab
- Excellent expert lecture series by professional experienced professors.
- 100% attendance is compulsory for receiving a certificate.
- **Free** Breakfast, Lunch and Dinner.
- **Free** accommodation in the NIT Silchar campus.
- Actual to and fro 2nd class sleeper train fare / bus fare will be reimbursed in the shortest route on production of the original tickets.

Registration Procedure

- Download the registration form available at www.nits.ac.in and fill it.
- Get it forwarded by your head/ principal/ competent authority with official seal
- Send the scan copy of the application through email to barmanpranjit@yahoo.co.in
- Contact Dr. Pranjit Barman, Coordinator, SPTM-2017 (Mobile: 8638453189), Dr. L. Rokhum (Co-coordinator, Mb:9485140599)
- Reporting (on selection): 9:00 AM, 21/08/2017

- Last date of registration, 19th August 2017 (First come first served).

REGISTRATION FORM

APPLICANT INFORMATION

1. Full Name (in Capital):.....
2. Designation:.....
3. Institute/ organization.....
4. Address for communication:.....
5. E-mail:.....
6. Mobile number:.....
7. Highest education qualification:.....
8. Accommodation required (Yes/No):.....
9. Any other related information:.....

Signature of the applicant

Declaration: I declare that I am now teaching the Science subject to the students of class(s). I will be happy to receive a certificate by attending 100% classes of the program, if selected.

Place:

Date:

Signature of the applicant

RECOMMENDATION/FORWARDING BY COMPETENT AUTHORITY

There is no objection by sending the applicant for the said course.

Forwarded and Recommended.

(Signature of the Competent Authority with seal)
